

Richard Shadoian & Cheryl Brodie honored by Supervisor Mirkarimi

"In grateful recognition of your foresight and dedication in initiating the creation of the Neighbors as First Responders program to build community-based disaster response plans tailored to individuals so that neighborhoods can be self-sufficient in disasters, which is especially poignant today, the 100th anniversary of the Great Earthquake of 1906, The Board of Supervisors of the City and County of San Francisco extends its highest commendation."

—District 5 Supervisor Ross Mirkarimi
